For Further Information on UniCam Please Access Our **UniCam® Connector Resource Center**

## How to participate?

Fill in the online form below, providing the following information:

1. Number of connectors purchased
2. Sales order or invoice from the distributor from which the connectors have been ordered
3. Details of where the UniCam™ Toolkit needs to be shipped, including contact, company name and full address

[Click Here to Fill in the Form](#)

## Promotion General Terms and Conditions:

- Corning Optical Communications GmbH & Co. KG (“Corning”) provides free-of-charge items on a first-come first-serve basis. According to availability, lead times might be applied.
- Requests for free-of-charge items need to be entered by filling in the online-registration form.
- If all conditions are met, Corning will prepare the free-of-charge item/s for shipment directly to the customer within 10 working days.
- The promotion runs from 18th December through 15th December 2023. Only orders sent and invoiced during this period are eligible for the promotion. Orders placed before 18th September and after 15th December 2023 will not be considered.
- This promotion is not limited to one order but is only applicable if parts are ordered at the standard price.
- Parts ordered under special project pricing are excluded from this promotion.
- Taxes, if any, are under the sole responsibility of the customer.
- Corning is not responsible or liable for any technical, hardware, software, server, website or other failures or damages of any kind which may prevent or obstruct the customer from participating in the promotion.
- This promotion is governed by the laws of Germany.
