NPC+ saves installation expense and reduces overall complexity of termination

The NPC+ (No Polish Connector) eliminates field polishing, loose parts, and termination tools. Faster than fusion splicing, the NPC+ delivers savings in installation expense and reduces overall complexity of termination.

Now we're making it easy for you to [see the difference for yourself](#).

From **18 September – 15 December 2023** we have two promotional offers on LC and SC UPC connectors:

Offer 1 - Buy 96 NPC+ connectors and get 48 extra, free of charge

Offer 2 - Buy 288 NPC+ connectors and get 288 extra, free of charge

[Click here to check the connectors specification and chose the part number](#)

How to participate? It's easy!

Use promo code **NPC+ EMEA2023** when you submit an order to our customer care team or your Corning sales representative.
