

Get to Know Our eCommerce Solution

Because business happens everywhere, our eCommerce solution connects you with our distribution network anywhere, anytime.

Our global eCommerce solution provides a seamless view into your supply chain and decreases your order-to-delivery cycle times by allowing more efficient procurement through a single platform. All transactional information is accessible through the web, whether orders are placed online, with your sales team or through digital integration (such as EDI).

Stay Connected

Wesco makes it easier for you to do business by offering a wide range of solutions to help you search product information, access inventory availability, place orders and manage your account.

Whether you prefer to work with your sales team, utilize our selfservice solutions on the web or integrate your business through a variety of digital solution capabilities, Wesco is here for you.

Digital Solutions Make it Easier to do Business

Digital integration solutions provide easy and seamless access to our product catalog through your own procurement applications.

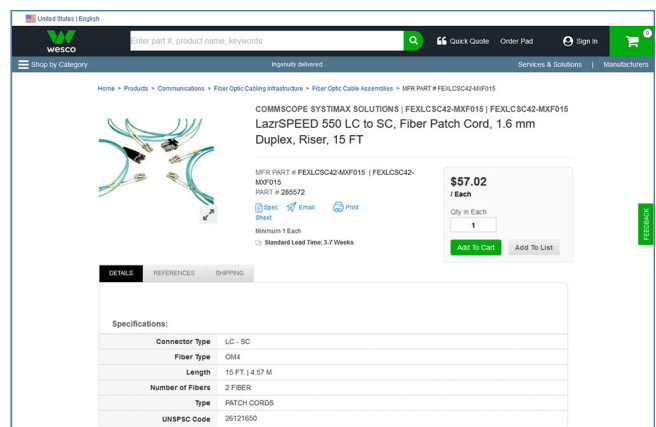

- Reduce data entry errors and eliminate the need for double entry while securely accessing the products and information you need
- Manage user access and permissions

View Product and Inventory Information

- Quickly locate your items on contract
- Search our inventory by zip code to see inventory in your local market or anywhere in the country
- Download spec sheets, drawings and images
- Confirm product standards and manufacturer specifications

Track Orders and Manage Your Account

- View order status
- Receive order confirmations and shipping acknowledgements
- Track shipments
- Receive proof of deliveries through carriers
- View and run reports
- Set up account and user preferences for order approvals
- Manage users' access within your organization
- Create and update shipping addresses
- Save payment information

Ingenuity delivered.

Place Orders and Request Quotes

- Use the multiple part search feature to enter many manufacturer or Wesco part numbers and find lots of products quickly
- View availability of contracted items
- Save time on bulk orders by using the Quick Order Pad to add up to 90 manufacturer or Wesco part numbers to your cart or create a saved list
- Create saved lists to keep frequently ordered items or project bills of material in one place
- Upload saved lists to your estimating system
- Use the Quick Quote feature to quickly request quotes on non-contracted items

The screenshot shows the 'Quick Quote' form on the Wesco website. At the top, there is a search bar with the placeholder text 'Enter part #, product name, keywords'. Below the search bar, the form is titled 'Quick Quote' and asks the user to 'Please fill in your contact information.' The form includes fields for 'First Name', 'Last Name', and 'Company'. Below these are fields for 'Address', 'City', and 'Country'. There are also fields for 'State', 'ZIP/Postal', 'Phone', 'Fax', and 'Email'. A 'Select a State' dropdown menu is present. Below the contact information fields, there is a section for 'Enter as much information as you can. Our sales team will find the right product and email you a quote.' This section includes a table with columns for 'Quantity', 'Description', 'Manufacturer Name', 'Manufacturer Part #', and 'Part #'. There is an 'Add Another Item' button to the right of the table. Below the table is a 'Notes' section with a text area. A green 'Submit' button is located at the bottom right of the form.

Account Set Up is Simple

Visit our web site online to register using your email address and your Wesco account number. A service representative will contact you to authorize your secure online access.

Need help with Your Online Account?

Contact your sales representative or visit our Help page with easy-to-follow videos that explain how to use the various features of our Online eCommerce account, including getting started, placing orders, creating saved lists and troubleshooting.

The screenshot shows the 'What's New' page on the Wesco website. The page features a navigation bar at the top with the Wesco logo, a search bar, and links for 'Quick Quote', 'Order Pad', and 'Sign In'. Below the navigation bar, the page is titled 'What's New' and displays a grid of video thumbnails. The thumbnails are arranged in two rows. The first row contains four thumbnails: 'How to set up level workflow', 'How to set up threshold workflow', 'How to approve a workflow order', and 'Suppressed pricing'. The second row contains four thumbnails: 'Anixter Online Password Guidelines', 'How to Add a User to Your Anixter Online Account', 'How to Generate a Greenlight Report on Your Anixter Online Account', and 'Get to Know Anixter's e-Commerce Solution Datasheet'. Below the video thumbnails, there is a section titled 'Getting Started' which contains three thumbnails: 'Introduction to Anixter.com', 'REGISTRATION FOR EXISTING CUSTOMERS', and 'REGISTRATION FOR NEW CUSTOMERS'. A green 'FEEDBACK' button is located on the right side of the page.
