Industrial Automation Products

ABB · Belden · bulgin · cisco Partner · EAT·N · HIRSCHMANN A BELDEN BRAND · HUBBELL Hubbell Premise Wiring · Leuze · lumberg automation A BELDEN BRAND · molex · nVent · PHOENIX CONTACT · RITTAL · SIEMENS · WAGO · Weidmüller

Connectivity and Cabling
- Cordsets
- Distribution blocks
- Field attachables
- Industrial ethernet cabling
- Modular Ts and taps
- Patch cords
- Terminal blocks

Contactors and Starters
- Contactors, definite purpose AC/DC
- Contactors, lighting
- Contactors, motor
- Contactors, solid state
- Contactors, vacuum break
- Overload, heaters
- Overload, relays
- Soft starts
- Starters, definite purpose
- Starters, enclosed
- Starters, magnetic
- Starters, manual

Controllers and I/O
- Industrial PCs
- Input/output (I/O) modules
- Programmable logic controllers (PLCs)
- Safety PLCs

Distributed I/O
- In-cabinet
- On-machine

Enclosures
- Enclosures, IT racks, cabinets
- Enclosures, stainless steel
- Enclosures, standard
- Thermal management products

HMI/Visualisation
- HMI
- Industrial computers
- LED displays

Industrial Networking
- Firewalls
- Gateways, cellular
- Gateways, industrial
- I/O-Link
- Industrial, ethernet switches
- Industrial, network tools and testing equipment
- Industrial, routers
- Industrial, wireless
- Security and remote access
- Servers
- Wireless products and systems

IoT Technologies
- Artificial intelligence (AI)
- Augmented reality (AR)
- Digital, thread
- Digital, twin
- Machine learning
- OEE software
- Virtual reality (VR)

Machine Safety
- Light curtains and scanners
- Machine safety controls
- Safety, contactors
- Safety, fencing
- Safety, mats and bumpers
- Safety, PLCs
- Safety, relays
- Switches, cable pull and foot
- Switches, safety

Operators and Signaling Devices
- Audible signals
- Devices, signaling and accessories
- Devices, contact
- Devices, pilot
- Pushbuttons
- Selector switches
- Stack lights and accessories

Panel Components and Accessories
- Cable ties
- Cord grips
- DIN rail
- Ferrules
- Forks and ring terminals
- Heat shrink
- Labelling
- Lugs
- Spiral wrap
- Wire and cable
- Wire ties
- Wireway

Power Distribution
- Circuit breakers - DIN mount
- Disconnects
- Fuses and fuse blocks
- Line filters
- Line reactors
- Molded case circuit breakers
- Panel bussing
- Power distribution blocks
- Power supplies
- Relays, control
- Relays, general purpose
- Relays, solid state
- Relays, timing
- Resistors
- Surge, suppression
- Surge, suppressors
- Terminal blocks
- Transformers
- UPS systems

Robotics
- Cobot
- End effectors
- Robot, mobile
- Robot, standalone

Sensors
- Accelerometers and vibration
- Barcode and RFID
- Current meter
- Fibre optic
- Flow detection
- Gas detection
- Humidity
- Level detection
- Limit switches
- Motion and occupancy
- Photoelectric
- Pressure
- Proximity
- Temperature
- Vision and imaging systems
- Voltage detection
- Water detection

Software
- Dashboard and reporting
- Data visualisation
- Historian
- Industrial networking
- Manufacturing execution systems (MES)
- SCADA
- Threat detection

For more information, visit Wesco.com/industrialautomation-emea or contact an industrial automation expert at Ind.automationemea@wesco.com.

Ingenuity delivered.
