

## WHAT WE SELL

Anixter offers Building Perimeter to Data Cabinet Access Control

(The actual solution will vary depending on application and the end-user's needs.)

- 1 **Access control software\***
- 2 **Panels**
  - a. Door controllers
  - b. PoE door controllers\*
  - c. Elevator controllers\*
  - d. Input/Output Boards\*
- 3 **Readers**
  - a. Proximity\*
  - b. Smart card\*
  - c. Mobile ready readers\*
  - d. Multi-technology
  - e. Biometric
  - f. Keypads
  - g. Occupancy management\*
- 4 **Credentials**
  - a. Proximity\*
  - b. Smart card\*
  - c. Mobile credentials
  - d. Multi-technology
- 5 **Locking hardware**
  - a. Intelligent integrated door locks
  - b. Stand-alone electronic locks\*
  - c. Electric strikes
  - d. Electromagnets
  - e. Electrified door locks\*
  - f. Electrified exit devices and trims
  - g. High security and electronic locking key cylinders\*
  - h. Mechanical key systems
- 6 **Accessories**
  - a. Electric transfer device
  - b. Door position switches
  - c. Request-to-exit controls
  - d. Pushbuttons, egress controls
  - e. Key switches
  - f. Boxed power supplies
  - g. Batteries
- 7 **Computer hardware**
  - a. Monitoring Workstation\*
  - b. Server\*
