and protect the world.

# Network Cameras, Speakers, Audio Devices, and Intercoms

## Utility Grade Infrastructure

The Utility Grade Infrastructure (UTG) program has been developed alongside our world-class global partners. These UTG-recommended components from Axis Communications enable you to support the continual evolution and convergence of technology in state-of-the-art building environments.

### Product Overview

UTG solutions from Axis Communications are UL verified for extended distance when pairing Axis Network Cameras and Speakers with UTG-rated cable infrastructure as part of a common infrastructure platform. This Axis Communications Network Camera and Speaker recommendation complements a full UTG solution.

As part of the UTG connected architecture the following convergence zones identify the most common environments video surveillance will be utilized within and around the building.

### Intra-Building | Connected Ceiling | Building-Edge | Extended-Edge

### Verification and Performance

- Extended distance performance of Axis Network Cameras and Speakers beyond Wesco UTG Framework 2.0
- Total channel length of 185 meters which includes 170 meters of horizontal cable and up to 15 meters of patch cords

UTG10 and UTG20 cable utilizing one 10/100 Mb 802.3at compliant switch capable of sourcing 30W maximum for Type1/Type 2 PoE application (see product part number list)

### UTG Difference

- 85% longer reach over standards
- Guaranteed performance and interoperability
- Maximize your return on infrastructure investment

### Network Cameras

- 4K UHD with Type 2 PoE 30 watt at 185 meters/606 feet
- Native IoT support with MQTT protocol
- Accurate real-time occupancy levels with Axis Occupancy Estimator

### Network Speakers

- High-quality audio with Type 1 PoE 15 watts to Type 2 PoE 30 watts supported at 185 meters/606 feet
- Built-in power amplifier and digital signal processor
- AXIS Audio Manager Edge application lets you manage and control your audio system
- Support up to 200 speakers and 20 zones with content scheduling

Ingenuity delivered.

## Speakers and Audio Devices

| Anixter Part Number  | Axis Product Name                            | Description  |
|--|--|--|
| <b>Network Speakers and Audio Devices:</b> Axis network audio systems are complete high-quality audio systems you can use to improve security, deliver live or recorded announcements and play background music. |  |  |
| 10326673   | AXIS C1610-VE Network Sound Projector        | Perfect for outdoor environments in most climates  |
| 10011127   | AXIS C1310-E Network Horn Speaker            | Outdoor, all-in-one speaker for clear, long-range speech   |
| 814790   | AXIS C1004-E Network Cabinet Speaker (black) | All-in-one speaker system with simple PoE installation and remote health testing. Available in white or black                                |
| 814785   | AXIS C1004-E Network Cabinet Speaker (white) |  |
| 10012801   | AXIS C1410 Network Mini Speaker              | Discreet speaker for wide-area coverage with built-in mic for two-way communication  |
| 1053791  | AXIS C8210 Network Audio Amplifier           | A compact migration tool that transforms any passive speaker into a network speaker  |
| 10326200   | AXIS Audio Ceiling Tile Kit Cam Ready        | US Audio Ceiling Tile Kit Cam Ready Us Pre-Assembled Audio Ceiling Tile Kit, Camera Ready Integrated With Axis C8210 Network Audio Amplifier |
| 10241990   | AXIS C8110 Audio Bridge                      | Solution for connecting and combining analog and network audio systems or devices  |
| 103261199  | AXIS Audio Ceiling Tile Kit                  | Timesaving, pre-assembled kit provides network audio via PoE connection. Integrated With Axis C8210 Network Audio Amplifier                  |
| 10326673   | AXIS C1610-VE Network                        | Sound projector  |
| 10272247   | AXIS C1210-E Network Ceiling Speaker         | Network Ceiling speaker -all in one speaker system - uses one cable for power and connectivity (PoE)   |
| 10272249   | AXIS C1211-E Ceiling Speaker                 | All in one - indoor/protected outdoor area   |
| 10278406   | AXIS C1510 Pendant Speaker                   | All in one - ideal for high ceiling installations (larger model)   |
| 10278407   | AXIS C1511 Pendant Speaker                   | All in one - ideal for high ceiling installations (smaller model)  |

## Intercoms

| Anixter Part Number  | Axis Product Name                               | Description   |
|--|---|---|
| <b>Network Intercoms:</b> Network intercoms offer clear, 2-way communication with remote entry for your visitors for better security, control, and convenience |   |   |
| 9999953  | AXIS A8207-VE Mk II Network Video Doorw Station | Combines video surveillance, two-way communication and the possibility for access control integration in a single device            |
| 10117326   | AXIS 8016-LVE Network Video Intercom            | Designed for two-way communication, video identification, and remote entry control with a 5 MP camera and exceptional audio quality |
| 10320450   | 2N IP Style Main Unit                           | 2N IP Style main unit, secured, antibacterial protector - 10" touchscreen   |
| 10358008   | 2N Access Unit 2.0 (Bluetooth & RFID)           | 2N AU 2.0 Reader, BLE, RFID 125kHz, 13,56MHz, NFC, PICard   |
| 10358007   | 2N Access Unit 2.0 (Bluetooth & RFID, Secured)  | 2N AU2.0 Reader, RFID 125kHz, 13,56MHz, NFC, Secured, PICard  |
| 10358003   | 2N Access Unit 2.0 (Touchkeypad, RFID)          | 2N AU2.0, Reader, Keyboard, RFID 125kHz, 13,56 MHz, NFC, PICard   |
| 10358001   | 2N Access Unit 2.0 (Touchkeypad, RFID, Secured) | 2N AU2.0 READER, KEYBOARD, RFID 125KHZ, 13,56MHZ, NFC, SECURED, PICARD  |
